(2) My favorite area of science is \_\_\_\_\_

(3) We will be doing several engineering projects in sci-tech club this year in support of the school year theme “Feel the Power: Eagle Point Gets Connected”. With the slogan of “Power it UP!” on the back of this paper draw a **labeled diagram** of a new technology for learning. Don’t forget to title your plan.

You will be informed if you are selected based on your essay and diagram, interest in science and your classroom teacher’s recommendation. It is important to have the support of your classroom teacher when deciding to take part in extracurricular activities. Once selected, you will receive notification and a permission slip to return signed by the first meeting.

This student exhibits positive behavior and is in good academic standing in my class:
